

Middle-earth: The Dragons (June 1996)

Card List (180 Cards)

Original Promotion Material: This is the first expansion for the award-winning Middle-earth Collectible Card Game. The dragons were created by the Black Enemy and brought to Middle-earth to defeat the Valar and their children, the Free Peoples. Now Middle-earth: The Dragons brings these terrifying creatures into your deck to challenge you and beckon you to their hoards. You can riddle Smaug like Bilbo the Hobbit, steal a priceless artifact while Scatha lies sleeping, or battle the other drakish monsters who once served the Black Enemy, Sauron's ancient master.

Middle-earth: The Dragons is a 180 card set compatible with METW. It sold in a 15 card booster-pack format, that includes a 6 page rules/scenario insert. The set is printed on three rarity sheets: rare, uncommon, and common, and . There are 50 rare cards, 60 uncommon cards, and 70 common cards in the set. A booster will break down as follows: 1 rare, 4 uncommon, and 10 common. For the following card list: c# means a card appears # times on the common sheet, u# means a card appears # times on the uncommon sheet, and r# means a card appears # times on the rare sheet.
