

Scenario: Bolg's campaign
quest: Lord and Usurper
starting company: Umagaur + bolg + snaga
(radbug/doeth as backups)
play tips: main company goes for the orc
factions, wolves and bats to complete the
scenario. Hog in flame of udun mode goes down
the dwarf hold, to emerge eventually as the
Usurper to complete his quest. Meanwhile either
shagrat or azog enters play at moria for stinker
and a later run to underleas for the black axe.
Extra characters are very important, since this
deck lacks cancellers they will be useful as
backups ;)
